P.C.:

1. Undisputedly, the Petitioner in this petition seeks to transfer of investigation of FIR No.160 of 2006 filed by Gadchiroli Police Station to Marine Driver Police Station, Mumbai. The learned advocate for the Petitioner states that investigation has already been transferred to Marine Drive Police Station, Mumbai. He, however, submits that inspite of such transfer, the Police Officer attached to Gadchiroli Police Station is conducting the investigation in the said FIR. If

that is so, it is totally an independent cause of action if any, available for the Petitioner to challenge the same and cannot be the subject matter for the present petition. Being so, the request for amendment of the petition to incorporate the subsequent facts in relation to the alleged continuation of investigation by the Police Officer at Gadchiroli, is rejected. Since the relief which was asked for in the present petition, has already been complied with, nothing further survives in the present petition and petition is therefore, disposed of as infructuous.
